

## LIVER SUPPORT FORMULA

The liver is a major organ of detoxification in the body. All toxins that are ingested, inhaled, or absorbed through the skin, pass through the liver. NULIV was designed to supply the liver with the necessary nutrients for the neutralization and elimination of toxins. This includes free radicals, chemicals, environmental pollutants, drug overdoses, alcohol toxicity, anesthesia, radiation, Candida "die off", and all toxins resulting from normal body processes. NULIV also benefits the kidney by reducing the amount of toxins in renal circulation.

**INGREDIENTS:**

Each capsule contains:		% Daily Value
Vitamin C (from magnesium ascorbate)	50 mg	80
Folic acid	200 mcg	50
Selenium (from L-selenomethionine)	100 mcg	140
In a proprietary blend of:	255 mg	*
N-Acetyl-L-Cysteine, L-Taurine, L-Serine, Glutathione, cholic acid, and bile salts		

\*Daily Value not established

Other Ingredients: Gelatin (capsule) and fruit pectin.

No wheat, corn, soy, salt, yeast, egg, sugar, whey, milk, colors, chemical additives, or preservatives.

**INDICATORS:**

NULIV has been clinically proven helpful for the following conditions:

1. Poor skin quality, degenerative skin conditions (eczema, psoriasis, ulcerations, acne vulgaris)
2. Stiff, arthritic joints that are generally worse as the day progresses and aggravated by motion
3. Body odor, chronic halitosis or evening headaches
4. Lethargy and sluggish behavior often accompanied by irritability which continues during the day
5. Miscellaneous symptoms associated with chemical or toxic mineral exposure
6. Nerve disorders, such as Attention Deficit Syndrome, hyperactivity, numbness, tingling or tremors
7. Most symptoms are usually improved by sleeping which is often increased beyond 8 hours. In advanced cases, there never seems to be enough sleep to feel rested

**Potency Guaranteed:** This product is manufactured under strict quality control to insure the optimum in purity, potency and reliability.

**DIRECTIONS:**

As a dietary supplement, take 1 to 2 NULIV capsules 3 times a day before or after meals until improvement is noted, then reduce to a supportive dose of 1 to 2 capsules every AM and PM until the desired results are obtained, or as directed by a physician.

**COMBINATIONS:**

Betaine HCL — if there is poor stomach digestion of protein, stomach bloating, intestinal gas that has little or no odor

BioCarb — with poor digestion, undigested food in the stool, acidic stools and frequent loose stools

Enzyme Pro — with acne, stiff joints, arthritis, and morning headaches

PanPro — with poor protein digestion made evident by fatigue after eating, intestinal gas, lower intestinal bloating, and foul odor

Formulated by Dr. Norman Easley.
