

LYMPHATIC SUPPORT FORMULA

NULYMPH was designed to stimulate the flow of lymphatic fluids, improve lymph circulation, increase protection by white blood cells and lymph and assisting the elimination of cellular toxins. By supporting these functions NULYMPH improves the elimination of foreign proteins, harmful bacteria, viruses and toxins, thus helping the body to recover from various illnesses.

INDICATORS:

NULYMPH has been clinically proven beneficial for individuals suffering from bacterial and viral infections. It is recommended in cases of:

1. Fevers, sore throats, coughs, tonsillitis, and swollen glands
2. Colds, flus and acute diarrhea
3. Bronchitis and pneumonia
4. Earaches and sinusitis
5. Mononucleosis, hepatitis and chronic fatigue syndrome
6. Food poisoning
7. Lymphatic congestion

NULYMPH can be taken with REBUILD to assist in controlling inflammation and improving the healing process. In cases of infection and skin disorders due to yeast fungus, candida, or food poisoning NULYMPH can be taken with MICROBAC 2.

DIRECTIONS:

As a dietary supplement, take 1 to 2 NULYMPH capsules 3 times a day before or after meals until improvement is noted, or as directed by a physician. Then reduce to a supportive dose of 1 to 2 capsules every AM and PM until the desired results are obtained.

COMBINATIONS:

MicroBac 2 — if persistent infection involving throat, sinus or lungs
AllerAct — if infection related to allergies or allergic sinusitis
